

WORLD CAFÉ

A conversation for adults –
IT'S WORTH IT.

Parents, grandparents and all community members are invited to take part in a community conversation about creating a healthier environment for our kids. We will discuss several topics, including a review with a Guilford Police Officer of the current laws pertaining to parental liability related to hosting parties (Social Host Laws).

DATE: TUESDAY, APRIL 9, 2013

TIME: 6:30 – 8:00 PM

PLACE: The Guilford Community Center

RSVP by April 3rd through Guilford Youth and Family Services
by calling Dana Pelliccio at (203) 453-8047 ext. 228, or
by emailing pellicciod@ci.guilford.ct.us

Light refreshments will be available.

What is a World Café? It is an innovative way to get people talking about issues that matter in the community. Participants in a **World Café** will sit at tables and respond to questions about teen substance abuse posed by a moderator.

Participants discuss and have the option of jotting down additional thoughts on paper tablecloths. After 15 minutes, the groups will mix and begin again. This is the *second* community discussion hosted by D.A.Y. using this format.

Please join D.A.Y. for this important conversation!
